

Environment Policy

Capital E-Waste Recycling is committed to planning, carrying out and monitoring its operations in order to:

- comply with relevant EPA regulations and other legal requirements, any local council development
- application consent conditions and any additional customer requirements relating to the environment;
- set measurable environmental targets;
- prevent pollution;
- minimise waste through efficient material utilisation, re-use or recycling and disposal of waste in
- accordance with all requirements;
- respond promptly to any emergency situation which could cause adverse environmental impacts.

Environmental compliance will be regularly reviewed. We aim to prevent problems from occurring and promote continuous improvement towards best practice in environmental management in accordance with ISO 14001.

Appropriate training, instruction and resources will be provided to ensure that staff understand how to implement the Environmental Management Plan. Staff are encouraged to offer suggestions about how environmental protection measures can be improved. Such suggestions will be assessed by Capital E-Waste Recycling management and implemented as appropriate.

Capital E-Waste Recycling is open about its environmental policy and will make it available to relevant interested parties.
