

Quality Policy

Capital E-Waste Recycling is committed to providing exceptional service in refurbishment and construction services.

Our quality objectives are to have satisfied clients, deliver to their requirements and maintain a review process for continual improvement.

To ensure these objectives are achieved, we have established and will maintain a quality management system which complies with AS/NZS ISO 9001:2016.

Through our training programs, all employees have gained a sound understanding of this policy, our management system and are empowered to deliver service excellence.

We will achieve our objectives through our focus, our commitment and our training.
